Important Information

Students who have met all admission requirements must have an application received by November 1st to be considered for admission for the spring semester. Admission decisions are made in November and students are notified of their acceptance by mail/email.

Acceptance into the ADN bridge program is determined on a space available basis in order of application submission. While published minimum standards may have been met, it does not guarantee admission.

A minimum of 5 seats will be reserved for recent June graduates completing the BCC Practical Nursing (PN) Program

Please refer to the Education Mobility Policy for more information: <https://berkshirecc.smartcatalogiq.com/Current/Catalog/Policies/Copy-of-Associate-Degree-in-Nursing-Policies/Educational-Mobility-Policy>

Students with two nursing program failures and/or withdrawals (at BCC, elsewhere, or in combination) will not be admitted to the program. Students with nursing failures and/or withdrawals that occurred more than 10 years ago should consult with the Dean of Nursing.

Any prior criminal offense could hinder placement in clinical agencies. See CORI/SORI Requirements in the current BCC catalog for details.

Check each box below indicating completion before submitting to the Admissions Office.
