Instructions

- Please enter figures in the green-shaded cells.
- Percentages will automatically calculate in the white numerator cells when a numerator and a denominator are both present

- Please pay attention to the cohort years - they are selected specifically to accommodate enough time to have the listed outcomes potentially occur.

Relevant Definitions

FTEIC: *First-time-ever-in-college* . All full-time and part-time students who are enrolled for the first time in postsecondary education (no previous college credits or degrees) in at least one credit-bearing course (including developmental courses but excluding other non-credit offerings) at your college in the given fall term. Students who were dually enrolled at your college and in high school should be excluded.
