- ✓ Upload and store important documents and records
- ✓ Manage requirements specific to your programs
- ✓ Place additional orders as needed.
- ✓ Complete tasks as directed to meet deadlines

To place an order, go to mycb.castlebranch.com

In the “Place Order” field, enter the following package code specific to your organization:

BQ59gen : Compliance Tracker

During order placement you will be asked for personal identifying information needed for security or compliance purposes. Supplying accurate and comprehensive information is important to the speed in which your order is completed.

The email address you use when placing your order will become your username for your myCB and will be the primary form of communication for alerts and messages.

TO-DO LISTS

You can respond to any active alerts or To-Do List items now, or return later by logging into your myCB. You will receive alerts if information is needed to process your order. Access your myCB anytime to view order status and completed results. Authorized users at your organization will have access to view your compliance status from a separate CastleBranch portal.

Your myCB Service Desk is available to assist you via phone, chat and email
