

Digital Skills for College Success!

Digital Skill Building Event

Excited about college but uncertain about technology? Has it been a few years since you've used a computer professionally or academically? Maybe you never have before? We can help! We'll be covering topics such as:

- File management
- Web browsers
- Setting up your BCC accounts
- Moodle navigation
- and More!

Half-day event:

Tuesday Jan. 13th

11:00 AM – 4:00 PM

Arrive starting at 10:30 AM

Coffee/Snacks and Lunch Provided

Additional Events:

Learning Support Software

Generative AI for Students

More Moodle!

Get Paid to Learn!

\$100 stipend for eligible participants*

Join us for a half-day event prior to the start of the Spring 2026 semester and then attend at least one of three additional events during the first two weeks of classes.

Space is limited – apply today!

[Complete Registration Form To Apply.](#)

(Need help? Contact BCC [Digital Commons](#) for assistance registering)

*Pending session attendance and program completion. Participants must be enrolled in at least one course for the BCC Spring 2026 semester. Participants must have a functioning laptop running a current version of Microsoft Windows 10/11.
